**Independent Auditor's Review Report on the Standalone Unaudited
Financial Results for the quarter ended 30th June, 2020**

To The Board of Directors

WILLIAMSON MAGOR & CO. LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **WILLIAMSON MAGOR & CO. LIMITED** ("the Company") for the quarter ended 30th June, 2020 ("the Statement").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, is prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial -Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is full of material misstatement. A review is limited primarily to enquires of company personnel and analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis for qualified conclusion

a) Material uncertainty related to Going Concern

We draw attention to note 4(a) to the Statement, where it is stated that the Company has incurred net loss of Rs. 44,191 thousands during the quarter ended June 30, 2020 and therefore unable to meet its financial commitments/covenants to lenders and statutory authorities. These events and conditions indicate a material uncertainty which casts a significant doubt on the Company's ability to continue as a going concern.

b) Non-recognition of Interest Expense

We draw attention to Note 4(b) of the Statement relating to non-recognition of interest expense amounting to Rs. 33,658 thousand for the quarter ended 30th June, 2020 (Rs.1,96,986 Thousand for the year ended 31st March, 2020) on its certain borrowings from financial institutions. As a result, finance cost, liability on account of interest and total comprehensive loss for the quarter ended 30th June, 2020 are understated to that extent.

- c)** We draw attention to Note No 8 a) & b) with respect to certain balances, including non-reconciliation of balances with secured loan creditor and information thereof. Adjustments/impacts in this respect are currently not ascertainable and as such cannot be commented upon by us.

- 5.** Based on our review conducted as stated in Paragraph 3 above, we report that because of the significance of matters and for reasons stated in Paragraph 4 above, we have come to the conclusion that the Statement of Standalone Unaudited Financial Results read with notes thereon have not been prepared fairly in all material respect in accordance with the applicable Indian Accounting Standards and other recognised accounting practices and policies and has not disclosed fairly the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including the manner in which it is to be disclosed.

6. We draw attention to Note 5 to the Statement regarding recognition of deferred tax assets of Rs. 9,29,505 thousand upto 31st March, 2020 expecting adequate future taxable profits against which the deferred tax assets can be realised, which is solely dependent on the acceptance of the Company's debt restructuring proposal by the lenders. However, the Company has not recognised deferred tax assets for the quarter ended 30th June, 2020 on prudent basis.
7. We draw attention to Note 3 of the Statement regarding the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the financial results and performance.

Our conclusion is not modified in respect of matters stated in Paragraph 6 to 7 above.

See Accompanying Notes to the Standalone Financial Results

1. The above results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 15th September, 2020.
2. The above results have been reviewed by the Statutory Auditors as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
3. The outbreak of Coronavirus (COVID-19) globally and in India has impacted businesses and economic activities in general. The spread of COVID-19, along with nationwide lockdown starting from 25th March 2020, has caused serious threat to human lives and resulted in reduction in global demand and disruption in supply chain, forcing the businesses to restrict or close the operations in short term.

The management has assessed the potential impact of COVID-19 on the Standalone Unaudited Financial Results of the Company. It has evaluated its liquidity position, recoverability and carrying value of its assets and has concluded that no material adjustments are required at this stage. The extent to which global pandemic will impact the company's assessment and resultant provision on investments will depend on future developments which are highly uncertain. The impact of the global pandemic may be different from that estimated as on the date of approval of these Standalone Unaudited Financial Results. The company is positive on the long-term business outlook as well as its financial position. However, the Company is closely monitoring any material changes in future economic conditions.

4. a) During the year, the Company's financial performance has been adversely affected due to external factors beyond the control of the Company and a negative net worth due to the classification of loans and advances as Non-Performing Assets and diminution in the value of investments. The Company has defaulted in repayment of loans to the lenders and others and the liquidity issues faced by the Company are being discussed with them. The Management is confident that with the Lenders' support and various other measures taken, the Company will be able to generate sufficient cash inflows through profitable operations and improve its net working capital position to discharge its current and non-current financial obligations. Accordingly, the Board of Directors have decided to prepare the Standalone Unaudited Financial Results on a going concern basis.

b) The Company has requested lenders and other creditors to reconsider the rate of interest charged and decided not to recognise interest expense on the term loan from 1st August, 2019. The aggregate amount of interest on borrowings from financial institutions not

recognised in the above results is Rs. 33,658 thousand for the quarter ended 30th June, 2020 (Rs.1,96,986 Thousands for the year ended 31st March, 2020).

5. The Company had recognised deferred tax assets of Rs. 9,29,505 thousand as at 31st March, 2020. The management of the Company is hopeful that there will be adequate future taxable profits available to the Company against which the Deferred Tax Assets can be utilised. However the Company has not recognised deferred tax asset during the quarter ended 30th June, 2020 on prudent basis.
6. In keeping with the directives given by the Reserve Bank of India (RBI) from time to time in the past, the Company had filed an application during the financial year 2015-16 with RBI to register the Company as a Systematically Important Core Investment Company (CCI-ND-SI) in order to avail, inter-alia, exemption from complying with the stipulated Concentration of Investment/ Exposure norms etc. and submitted necessary details required by the RBI. The matter is under consideration of the RBI.
7. During the quarter, the Joint Lenders of the Group Companies have invoked securities given by the Company for and on behalf of its Associate Company, namely Williamson Financial Services Limited and sold 63,00,000 Equity Shares of McNally Bharat Engineering Company Limited pledged with them. The company has recognised Rs. 34,650 thousands against such invocation as receivable from the said Associate Company.
8. a) Securities given by the Company on behalf of group companies to a financial institution by way of pledge of 32,00,000 Equity Shares of Eveready Industries India Limited were invoked and out of these pledged shares, 9,55,337 Equity Shares were sold by the said institution in earlier year and the sale proceeds adjusted against the dues owed by the Company and other group companies. Adjustment relating to the remaining 22,44,663 Equity Shares pledged with the financial institution will be made in the accounts on receipt of necessary information.
b) Certain balances including trade and other receivable/payables, loans and advances, other current assets and certain other liabilities including those relating to loan creditors are subject to reconciliation with individual details and balances and confirmation thereof. Adjustment/impact in this are currently not ascertainable.
9. The Company and its Group Company, namely McLeod Russel India Limited defaulted in repayment of its dues against credit facility availed by them from HDFC Limited, which has taken legal action against the Company, for recovering its dues and has taken symbolic possession of a portion of Immovable property situated at 4, Surendra Mohan Ghosh Sarani, Kolkata 700 001 under the SARFAESI Act, 2002 vide its letter/notice dated 11th June, 2020.

Notes to the Statement of Consolidated Unaudited Financial Results for the quarter ended 30th June, 2020

1. The above results have been reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on 15th September, 2020.
2. The above results have been reviewed by the Statutory Auditors as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
3. The outbreak of Coronavirus (COVID-19) globally and in India has impacted businesses and economic activities in general. The spread of COVID-19, along with nationwide lockdown starting from 25th March 2020, has caused serious threat to human lives and resulted in reduction in global demand and disruption in supply chain, forcing the businesses to restrict or close the operations in short term.

The management has assessed the potential impact of COVID-19 on the Consolidated Unaudited Financial Results of the Investment Company. It has evaluated its liquidity position, recoverability and carrying value of its assets and has concluded that no material adjustments are required at this stage. The extent to which global pandemic will impact the Investment Company's assessment and resultant provision on investments will depend on future developments which are highly uncertain. The impact of the global pandemic may be different from that estimated as on the date of approval of these Consolidated Unaudited Financial Results. The Investment Company is positive on the long-term business outlook as well as its financial position. However, the Investment Company is closely monitoring any material changes in future economic conditions.
